

# Summer Reading 2023

## **AN IMPORTANT THING THIS SUMMER IS FOR YOUR STUDENT TO READ AT LEAST 1 BOOK A WEEK.**

**If a student reads at least one book a week (in their reading level or higher) during the summer, they will stay more prepared for the next school year. Let students read instructions for games or how to make something.**

All Public Libraries in the area have similar prizes. Find the one that fits your families' needs. All have great programs, movies and prizes. Getting a free library card is a special thing for all Kansans. Including getting a state library card so that one can checkout audio or ebooks.
