

Remote Learner Expectations

You chose for your child to be a remote learner because you did not believe it was safe for them to be on-site. Your choice does not allow them to learn whenever they or you want. School starts at 7:35 a.m. and concludes at 2:50 p.m.

Students re expected to be online ready to join their first hour class at 7:35 a.m. Their breaks will be during passing periods for the on-site students.

Their lunch will be at the same time their 5th hour class is scheduled for lunch.

They are expected to be present everyday for class, on time, ready to learn.
