

PowerSchool Mobile

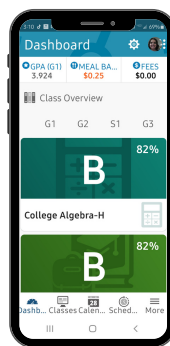

Family & Student Engagement. Anywhere. Anytime

The PowerSchool Mobile app gives instant access to grades, attendance, assignments, scores, school information, and more, creating better communication, collaboration, and success within a child's learning experience.

Available for Android or iOS

When you launch the app for the first time, you will need to enter our district code, **DRQM**. Use your PowerSchool Parent/Student account username and password to sign in.

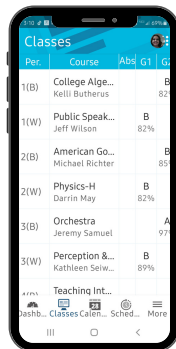

Dashboards

Parents, guardians, and students have quick access to: GPA, class overview, assignments due, graded assignments, attendance, school bulletins, meal balance, and fees.

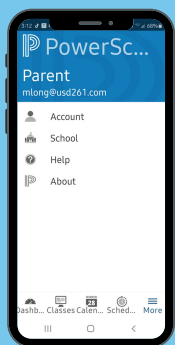

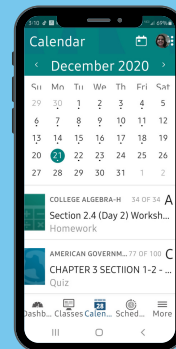

Classes

Parents, guardians, and students can easily access the class list from their mobile device and get real-time updates on absences, grades, and more.

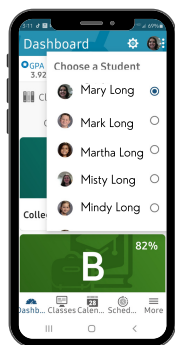

Calendar

View class assignments for the week or month in a new calendar view, and drill-down to assignment details to help students stay on track, meet deadlines, and engage in learning.

Get Push Notifications with Grades & Attendance

Parents, guardians, and students receive real-time notifications with updates about grades and attendance to help boost student engagement and growth through parent support.

View All Your Children in One Parent Account

Parents and guardians can view all their children's information under one online parent account, saving time and eliminating the need to repeatedly sign in and out to view each child's updates.

Please note you must have a Parent/Student Portal account to use the mobile app. Please also note that certain features available on the Parent/Student Portal website are not available on the mobile app.
