About the GEM 5K:

The GEM 5K was established in 2014 with the purpose to benefit someone in the Haysville community. G.E.M. stands for the Gary Engels Memorial. Gary Engels was a former English teacher at Campus High School and also a beloved coach. He battled cancer for two years but left behind a legacy in the Haysville community. This year's beneficiary is 64-year-old first grade Nelson Elementary teacher, Kim Hall. In 2017, she was diagnosed with Liver cancer but still finds the strength to wake up every morning and teach her first graders. She has been a teacher in Haysville for 38 years and has an unprecedented passion for children and everything they offer.
